Frontier Airlines Hosting Open House at Chicago Rockford International Airport

Includes aircraft tours, activities and giveaways

What: Chicago Rockford International Airport and Frontier Airlines are hosting a community open house that features tours of its 138-passenger Airbus A319. This aircraft will be used for the newly-announced nonstop flights between RFD and the Denver International Airport starting on December 16, 2011.

During the event, media and members from the public will be able to board and photograph the aircraft. Airport staff and a Frontier Airlines representative will be available to answer questions about the passenger service to Denver and beyond.

Drawings for Frontier Airlines and RFD giveaways will be held every 15 minutes during the event. Giveaways include hotel nights in Punta Cana, sets of luggage, Frontier Airlines gift cards valued up to \$300, RFD travel certificates and more. Attendees will also be able to sample products from the Airport's restaurant Airmenities, as well as participate in Wii golf and ski challenges to win additional prizes.

Apple Vacations staff will also be available to talk about the airport's expanded service this year to Punta Cana and Cancun.

The public is invited and encouraged to attend.
