

ADDENDUM NO. 1

REQUEST FOR QUALIFICATIONS #10-06

PROPOSAL DESCRIPTION: Selection of Engineering Consultant - Environmental Consulting Services (Local)

ADDENDUM ISSUE DATE: Wednesday, October 13, 2010

PROPOSAL RESPONSE DATE: Friday, October 22, 2010

Addendum No 1 is to clarify some questions raised by interested responders.

Bulleter Task “Phase I Environmental Site Assessments in strict accordance with the All Appropriate Inquiries Final Rule” – The Environmental Protection (EPA) has established federal standards and practices for conducting all appropriate inquiries under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA). This rule was effective November 1, 2006. In summary the All Appropriate Inquiry (AAI) rule establishes specific regulatory requirements and standards for conducting site assessments into the previous ownership and uses of a property for the purpose of qualifying for certain landowner liability protections under CERCLA. For further clarification go to www.epa.gov .

Bulleter Task “IEPA, EPA, Natural Land Institute Special Events environmental clearance applications” – The services being requested for this task is to complete the required application processes with these entities and making sure remediation steps are in place as required from time to time for special events or may be required by regulations.

Please observe the requirements for delivery and markings on the outside.

A contract or contracting terms are not required due to actual services being determined on an as needed basis.
