

Ann and I would like to thank you and the Rockford Airport for developing the day trips from your airport. We just attended your Mackinaw Island trip on Sunday August 3rd and had a WONDERFUL time!!! The weather was PERFECT and we were very happy with everything else (i.e. RFD airport, flight to and from, Pellston airport, shuttle, ferry and amount of time we had to explore. A know I heard a few rumblings about things such as the shuttle, time waiting for the return flight, costs of shuttle and ferry. PLEASE know that it was a spectacular trip and met all of our expectations. We just wanted to contact you to tell you what a great time we had because all too often you only heard negatives and not the positives. In our opinion there were not any TRUE negatives. We are looking forward to another day trip soon. PLEASE keep planning and scheduling the day trips it was great fun. We did read about the possibility of overnight trips and would welcome them on occasion, but are truly excited about the day trips!! There are so MANY destinations within 40 to 75 minutes in all directions (north, south east & west) to choose from throughout the year. KEEP UP THE GOOD WORK and plan those day and possible overnight trips.

Thank You

Mark & Ann
