## HEAR WHAT SOME OF OUR SPONSORS SAID ABOUT THEIR SPONSORSHIP EXPERIENCE...

The Rockford AirFest is always a fun and exciting event for us and our guests. The show offers plenty of thrills and the airport staff is very helpful throughout the entire process. This is a great event and we look forward to participating in future AirFests.

It is truly a wonderful event that brings the community together and allows the public to see what a tremendous asset we have in our airport. Our group always has a wonderful time and every attendee has the same remark for us when the show is over .... "Please tell me we are doing this again next year!"
