What Did Our Sponsors Have to Say About Their Sponsorship Experience?

“We have pride in being a part of one of the biggest air shows in the US. This quality show gives us the opportunity to entertain our clients in a unique setting while being entertained by some awesome aircraft.”

Gerald Gilmore
Pepsi-Cola

“The AirFest is an awesome event with mega attendance, clearly a benefit to any sponsor...we look forward to it each year...and it gets bigger and better each year!”

Cheri McNeff
Kegel Harley-Davidson/Buell

“Our guests and employees have such a wonderful time...year after year! What a wonderful way to spend a day with family and friends.”

JoAnn Coffey
Ingenium Technologies

“What we liked best about our sponsorship experience is it allows us to be able to provide clients, their families and our staff a fun and enjoyable day watching the spectacular Air Show.”

Richard S. Mattioda
Tandem Development Group

“What a way to engage residents from outside the usual Rockford service delivery area. Comments in our tent were, 'If they do this good a job with an AirFest, they have to be doing a great job running an airport. We will definitely try them to fly.' ”
